1. Definitions

For the purpose of this **Policy**, the following **Definitions** apply:

- 1.1 **The Insurer** is the company or companies named in the **Schedule**. If there is more than one company, each company shall be separately liable only to indemnify the **Insured** for that proportion of any claim as is set out in the **Schedule**.
- 1.2 **The Insured** is as described in the **Schedule** and includes all subsidiary companies, organisations and other entities in which the **Insured** has a controlling interest to the extent only that each of them is engaged in carrying on the **Business** described in the **Schedule** or activities which are substantially the same kind or related to that **Business**. For the purpose of this **Definition**, a controlling interest shall in the case of a company mean the beneficial ownership of shares carrying more than 50% of votes capable of being cast at a general meeting of all shareholders in the company.
- 1.3 **Property Insured** means all tangible property both real and personal of every kind and description belonging to the **Insured** or for **Damage** to which property the **Insured** is legally responsible or which the **Insured** has assumed responsibility to insure prior to the occurrence of any **Damage**, and includes more specifically, **Money**. **Property Insured** includes all such property acquired or for **Damage** to which the **Insured** becomes legally responsible or assumes responsibility to insure after the commencement of the **Period of Insurance**.
- 1.4 **Situation** is the **Situation** or **Situations** shown in the **Schedule**. Where "The **Situation**" specified in the **Schedule** is other than a single address, each separate address at which the **Property Insured** is located shall be one **Situation** for the purposes of this **Policy**, particularly in relation to the **Limit** and **Sub-Limits of Liability** and the **Definition of Premises**.
- 1.5 **Schedule** means the **Schedule** attached to this **Policy** or any later **Schedule** issued on renewal or variation or by way of **Endorsement**.
- 1.6 **Period of Insurance** is the period referred to in the **Schedule** or any further period for which renewal has been agreed. The term "Local Time" means the time at the **Insured's** principal place of business.
- 1.7 **Policy** means this document, the **Schedule** and any **Endorsement**.
- 1.8 **Limit of Liability** is the maximum amount payable by the **Insurer** for any one loss or series of losses suffered by the **Insured** arising out of any one original source or cause at any one **Situation**, subject to any **Sub-Limit of Liability** and the application of any **Deductible**. The **Limit of Liability** and **Sub-Limits of Liability**, which apply in excess of any applicable **Deductible**, are as set out in the **Schedule**.

If more than one **Limit** or **Sub-Limit of Liability** applies, the greater amount shall be payable.

Each **Sub-Limit** shall not increase the liability of the **Insurer** beyond the **Limit of Liability**. Each of the **Deductibles** will apply to each **Sub-Limit**, but will not be cumulative.

- 1.9 **Declared Values** are the values of **Property Insured** (other than **Money**) at each **Situation** and related business interruption values declared by the **Insured** and calculated in accordance with the **Basis of Settlement** Clauses 4.3, 4.14 to 4.25 (other

than 4.17,4.18 and 4.23), 10.1 to 10.10 as applicable. The **Insured** shall complete a statement of **Declared Values** as at the commencement of the **Period of Insurance** and as at the end of the **Period of Insurance**.

- 1.10 **Deductible** is the first amount of each claim which is payable by the **Insured** as stated in the **Schedule**. Should more than one **Deductible** apply under this **Policy** for any claim or series of claims arising from the one original source or cause, such **Deductibles** shall not be aggregated and the highest single level of **Deductible** only shall apply.
- 1.11 **Pollution or Contamination** means the discharge, dispersal, release or escape of smoke or soot, fumes, acids, alkalis, chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants into or upon any property, land, atmosphere or any water course or body of water (including ground water).
- 1.12 **Debris** means the residue of **Damaged Property Insured** excluding any material which is itself a pollutant or contaminant and which is deposited beyond the boundaries of the **Situation**.
- 1.13 **Unspecified Damage** means, for the purpose of any **Limit** or **Sub-Limit of Liability** or **Deductible** as shown in the **Schedule**, **Damage** caused by any peril or circumstance not more specifically covered or excluded by this **Policy** other than fire, lightning, thunderbolt, explosion, implosion, earthquake, subterranean fire, volcanic eruption, erosion, subsidence, landslip, collapse, impact, aircraft and/or other aerial devices and/or articles dropped therefrom, sonic boom, theft, breakage of glass, loss of **Money**, the acts of persons taking part in riots or civil commotions or of strikers or locked-out workers or of persons taking part in labour disturbances or of malicious persons or the acts of any lawfully constituted authority in connection with the foregoing acts or in connection with any conflagration or other catastrophe, spontaneous combustion, spontaneous fermentation, storm and/or tempest and/or rainwater and/or wind and/or hail, **Flood**, water or other liquids or substances discharged, overflowing or leaking from apparatus, appliances, pipes or any other system at the **Situation** or elsewhere.

Section 1 - Property Insurance

2. Extent of Cover

Provided the **Insured** has paid or agreed to pay the **Premium**, the **Insurer** will indemnify the **Insured** against **Damage** occurring to **Property Insured** during the **Period of Insurance** and shall provide the additional cover referred to in Clause 3 up to the value of the **Limits** and **Sub-Limits of Liability** referred to in the **Schedule**, but subject to:

- 2.1 the **Property Insured** being either:
 - 2.1.1 at the **Situation** at the time that the **Damage** occurs; or
 - 2.1.2 in the case of property other than **Money**, stock and merchandise, whilst in transit (including storage in transit) during temporary removal to any situation within Australia and whilst at such situation, but whilst in transit (excluding loading, unloading and storage) cover is limited to **Damage** caused directly by fire, lightning, explosion, earthquake, aircraft, riot, strikes, malicious damage and storm and tempest and **Flood**, collision and/or overturning of the conveying vehicle, subject to there being no more specific insurance in place;

or
 - 2.1.3 in the case only of **Money**, whilst at the **Situation** or elsewhere in Australia;
- 2.2 the **Limit** and **Sub-Limits of Liability** referred to in the **Schedule**;
- 2.3 the amount of the indemnity being calculated in accordance with the **Basis of Settlement** Clause 4;

- 2.5 the **Damage** not occurring in circumstances which are excluded from cover by Clause 6;
- 2.6 the application of any **Deductible** referred to in the **Policy** and the **Schedule**; and

3. Additional Cover

- 3.1 If **Damage** to **Property Insured** occurs in circumstances giving rise to indemnity under **Section 1** of this **Policy**, the **Insurer** will also pay the following additional costs where they are necessarily and reasonably incurred in respect of:
 - 3.1.1 architects', surveyors', consulting engineers', legal and other fees and clerks of works' salaries for estimates, plans, specifications, quantities, tenders and supervision necessarily incurred as a result of any such **Damage**, but not costs, fees or other expenses for preparing any claim made under **Section 1** of this **Policy**;
 - 3.1.2 any fee, contribution or other impost payable to any government, local government or other statutory authority necessarily incurred by the **Insured** because payment of such fee, contribution or impost is a condition precedent to the obtaining of consent to repair or replace any buildings insured under this **Section 1**, provided that the **Insurer** shall not be liable for payment of any fine or penalty imposed by any such authorities;

- 3.1.3 the temporary protection and safety of **Property Insured** pending repair or replacement as a result of **Damage**;
- 3.1.4 the replacing of locks, keys and combinations as a result only of **Damage** caused by theft or any attempt at theft where the keys are stolen or combinations become known or if there are reasonable grounds to believe that the keys may have been duplicated. The **Insurer** will also pay the cost of opening safes and strong rooms as a result of the theft of keys and combinations forming part of the **Property Insured**;
- 3.1.5 the removal, storage and disposal of **Debris** and of any thing which caused the **Damage** from the **Situation** and the cost of cleaning up at the **Situation** including the removal, storage and disposal of water and/or other substances used to extinguish or suppress fire or to otherwise minimise the **Damage**;
- 3.1.6 the removal, storage and disposal of **Debris** from premises, roadways, services, railways or waterways owned by any other person or entity (and notwithstanding the provisions of **Exclusion 6.4**) where the **Insured** is liable at law to remove, store or dispose of such **Debris** as a result of the **Damage**, together with the cost of cleaning up, but provided that such liability has not arisen as a result of any agreement made by the **Insured** after such **Damage** unless liability would have attached in the absence of such agreement;
- 3.1.7 the demolition, dismantling, shoring up, propping or underpinning of the **Property Insured** or the carrying out of other temporary repairs to the **Property Insured** as a result of the **Damage** including the shoring up, propping or underpinning of adjoining premises as a result of the **Damage**;
- 3.1.8 the demolition and removal of any **Property Insured** belonging to the **Insured** which is necessary for the purpose of repair or replacement as a result of the **Damage** including the cost of reinstating such property to a condition substantially the same as, but not better or more extensive than, its condition when new;
- 3.1.9 customs, excise and other duties which the **Insured** is liable to pay as a result of the **Damage**;
- 3.1.10 any liability to pay additional income tax or additional capital gains tax, pursuant to any Australian government taxation legislation, incurred solely consequent upon payment by the **Insurer** of any amount claimable under Section 1 of this Policy.
- 3.1.11 any legal liability to make enquiries consequent upon **Damage** insured by this **Policy**;
- 3.1.12 expediting reinstatement or repair of the **Property Insured** including (but not limited to) identifying and locating the source of the **Damage**, penalty rates for wages during overtime, shift, night, Sunday or holiday working, payment for carriage by express passenger fast goods or other rail or road transport, for carriage by air freight where such costs are incurred as a result of any peril or circumstance insured by this **Policy**;
- 3.1.13 taking inventory (including unpacking, re-packing and re-stocking) to identify, quantify and value any property **Damaged** by any peril or circumstance insured by this **Policy** including examination of property not belonging to but in the care custody or control of the **Insured**;
- 3.1.14 any statutory liability incurred by the **Insured** for fire brigade attendance fees solely because any part of the **Insured's** claim for **Damage** is within the amount of any **Deductible** applicable under this **Policy**, provided that the **Deductible** shall be applied to the sum of the **Damage** and the liability so incurred;

- 3.1.15 any amount payable to a recognised emergency service or any statutory authority (other than as provided in clause 3.1.14) including, but not limited to, police, ambulance and environmental protection services;
- 3.1.16 any costs and expenses incurred by the Insured as a result of statutory inquiries following Damage to Property Insured. For the purpose of this additional cover the term statutory inquiries shall mean any judicial, coronial or other form of inquiry or hearing established by or at the direction of any government, semi-government, local or planning authority as a direct result of Damage to Property Insured. Provided that the Insurers shall not be liable for payment of any fine or penalty imposed by any such authorities.
- 3.1.17 the payment of any reward by the **Insured** to protect or recover **Property Insured**.

Provided that:

- 3.1.17.1 no such payment shall be made by the **Insured** unless it contributes to the protection or recovery of such property,
- 3.1.17.2 the **Insurer** shall have agreed the terms of the reward before it is offered.

The **Insurer** will not unreasonably withhold or refuse its consent to the terms of any reward payable under this extension.

- 3.2 The **Insurer** will also pay the following additional costs which are necessarily and reasonably incurred:

- 3.2.1 in the repair or replacement of personal property (including **Money** and tools of trade) belonging to directors, employees, ministers, trustees and volunteers of the **Insured** and the property of welfare, sport, recreational and social clubs and childcare facilities of the **Insured** which are **Damaged** during the **Period of Insurance**. The **Property Insured** under this Clause 3.2.1 is covered at the **Situation** and beyond the premises at the **Situation** to anywhere in Australia including whilst in transit. For the purpose of this additional cover, Clause 2.1.2 is amended to read "in transit" and **Exclusion 5.1** is deleted.

Provided that the cover afforded in respect of personal property belonging to the persons described above:

- 3.2.1.1 only applies in so far as such property is not otherwise insured;
- 3.2.1.2 where **Damage** occurs beyond the **Insured's** premises; only applies if the directors, employees and /or ministers are on authorised business of the **Insured**;
- 3.2.1.3 Condition 7.2 shall not apply to the property described in Clause 3.2.1;
- 3.2.2 in extinguishing a fire at or in the vicinity of **Property Insured** or threatening to involve **Property Insured** or for the purpose of preventing or diminishing imminent **Damage** to **Property Insured** occurring during the **Period of Insurance** caused in any other circumstances giving rise to indemnity under this **Policy**, including the cost to gain access to any property;
- 3.2.3 in replenishing fire fighting appliances and paying costs and charges incurred for the purpose of shutting off the supply of water or any other substance following the accidental discharge or escape of any such substance occurring during the **Period of Insurance**, whether from fire protective equipment or otherwise;

- 3.2.4 in the replacement of landscaping, which term includes rockwork, paving, ornamentation, trees, shrubs, plants and lawns, which is **Damaged** during the **Period of Insurance** where such costs are incurred as a result of any peril or circumstance insured by this **Policy**. **Exclusions 5.8** and **5.9** shall not apply to the cover granted by this additional cover;
- 3.2.5 in cleaning and decontamination of property (other than stock) used by the **Insured** for the purpose of the business as result of the entry of contaminated water and/or in clearing and/or repairing blocked pipes, drains, gutters, sewers, fillers, pumping equipment and the like, including exploratory costs, at the premises used by the **Insured** provided that such costs are incurred as a result of any peril or circumstance insured by this **Policy**;

4. Basis of Settlement

For the purpose of this Clause 4:

4.1 **Reinstatement Value** is the cost necessary to replace, repair or rebuild the **Property Insured** to a condition substantially the same as but not better or more extensive than its condition when new.

4.2 **Indemnity Value** is:

4.2.1 where the **Damage** to any **Property Insured** can be repaired, the cost necessarily incurred to restore the property to a condition substantially the same as but not better or more extensive than its condition at the time that the **Damage** occurred taking into consideration age, condition and remaining useful life.; including the cost of dismantling and re-erection incurred for the purpose of effecting the repairs. Deductions will not be made for depreciation in respect of parts replaced, but the salvage value of such parts shall be taken into account;

4.2.2 where the property is totally destroyed, lost or stolen, abandoned or cannot be satisfactorily repaired at a cost not exceeding the Market Value immediately before the **Damage**, the Market Value of the item at the time of the **Damage**. If due to the nature of the property, it is not possible to readily ascertain a Market Value, the **Basis of Settlement** shall be the replacement cost of the damaged property less due allowance for depreciation taking into consideration age, condition and remaining useful life.

Market Value is the estimated amount for which the **Property Insured** should exchange immediately before the **Damage**, between a willing buyer and a willing seller in an arms-length transaction, after proper marketing, wherein the parties had each acted knowledgeably, prudently and without compulsion.

4.3 On buildings, machinery, plant and all other property and contents other than those specified in 4.14 to 4.25 below, the **Basis of Settlement** shall be the REINSTATEMENT VALUE and the provisions of 4.4 to 4.13 shall apply.

4.3.1 **Leased Equipment (Residual Value)**

Clause 4.3 is extended to include the following provision:

Provided that in the case of **Property Insured** being machinery, plant and equipment leased on a Residual Value basis, if the Residual Value exceeds the Reinstatement Value, then in the event of actual or constructive total loss, the provisions of Clauses 4.4 to 4.6 shall apply and the **Basis of Settlement** shall be the amount for which the **Insured**, as lessee, is contractually liable to the lessor, but not exceeding the sum represented by rent payable under such

lease(s) for the period commencing on the date of loss or destruction and ending on the retirement date(s) of such lease(s), plus the current market value of the property immediately before its loss or destruction or the Residual Value, whichever is the greater, less any salvage value.

The term "Residual Value" means the minimum amount which the **Insured**, as lessee, has guaranteed that the leased property will realise, being the same amount which the **Insured**, as lessee, has agreed would be payable to acquire such property upon the retirement date(s) of the lease(s).

For the purpose of this extension, there shall be deemed to be a constructive total loss of a **Damaged** item of machinery, plant or equipment when the cost necessary to repair that item exceeds the cost necessary to replace it with similar property in a condition equal to, but not better or more extensive than, its condition when new.

4.4 **Reinstatement Provisions applying to buildings, machinery and all other property other than property referred to in 4.14 to 4.25**

- 4.4.1 The replacement, repair or rebuilding may be carried out wholly or partially upon any other site(s) and in any manner suitable to the requirements of the **Insured**, but subject to the liability of the **Insurer** not being thereby increased.
- 4.4.2 Such work must be commenced and carried out with reasonable despatch, failing which the **Insurer** shall not be liable to make any payment greater than the INDEMNITY VALUE.
- 4.4.3 Where any **Property Insured** is **Damaged** in part only, the liability of the **Insurer** shall not exceed the sum representing the cost which the **Insurer** could have been called upon to pay by way of REINSTATEMENT VALUE if such property had been totally destroyed.
- 4.4.4 The **Insurer** shall not be liable to make any payment beyond the INDEMNITY VALUE of the **Property Insured** until a sum equal to the REINSTATEMENT VALUE has actually been incurred by the **Insured** in the replacement, repair or rebuilding of the property, provided that where the **Insured** repairs or rebuilds any **Damaged Property Insured** at a cost which is less than the cost of reinstatement but greater than the value of such property at the time of the **Damage**, then the cost so incurred shall be deemed to be the cost of reinstatement.
- 4.4.5 Notwithstanding anything contained in Clauses 4.1 to 4.3 and provisions 4.4.1 to 4.4.4 to the contrary, the **Insured** may elect to reinstate destroyed property with dissimilar property whether or not to be used for a similar purpose as the destroyed property, in which case the **Insurer** shall pay the lesser of:
 - 4.4.5.1 the cost of the dissimilar property, or
 - 4.4.5.2 an amount equal to the replacement cost which would have been payable if the destroyed property had been reinstated by similar property in a condition equal to but not better or more extensive than its condition when new.
- 4.4.6 Notwithstanding anything contained in Clauses 4.1 to 4.3 and Provisions 4.4.1 to 4.4.4 to the contrary, the **Insured** may elect to purchase an existing building or buildings instead of replacing a building or buildings destroyed, in which case such replacements shall be deemed to constitute "Reinstatement Value", subject to the liability of the **Insurer** not being thereby increased. If both the total replacement value and the total volume (measured over the roof and external walls) of the buildings purchased are less than both the total replacement value and the total volume (measured over the roof and external walls) of the buildings

destroyed, then the total amount recoverable shall include, in respect of that proportion of the total building volume which is not replaced, an additional amount equal to but not exceeding the equivalent proportion of the Indemnity Value.

4.4.7 In the case of a building with architectural features and/or structural materials possessing an ornamental or historical character or for which the original materials are not available, which;

4.4.7.1 are legally protected for preservation by national, state or local legislation or regulation, **Basis of Settlement** Clause 4.1 shall be deemed to be amended to read as follows in relation to that building;

REINSTATEMENT VALUE is the cost necessary to replace, repair, rebuild or restore the building to a reasonably equivalent appearance and capacity, using the original design and suitably equivalent modern materials.

4.4.7.2 is not legally protected for preservation by national, state or local legislation or regulation, **Basis of Settlement** Clause 4.1 shall be deemed to be amended to read as follows in relation to that building;

If the building is damaged, REINSTATEMENT VALUE is the cost, up to but not exceeding the Reinstatement Value if destroyed, necessary to repair the damage and restore the damaged portion to a condition substantially the same as, but not better or more extensive than, its condition when new. If the cost of repairing the damage and restoring the damaged portion exceeds the Reinstatement Value of the building if destroyed, the building may, at the **Insured's** option, be deemed to be destroyed. If the building is destroyed, or deemed to be destroyed, REINSTATEMENT VALUE is the cost necessary to replace the building with one that is no more expensive but of equivalent or improved utility, using current design techniques and modern materials.

4.4.8 If the **Insured** shall, after obtaining the consent of the **Insurer**, reinstate **Damaged Property Insured**, the **Insurer** shall pay the cost of such reinstatement including the value of labour and other overhead charges expended thereon together with a reasonable margin for profit. The liability of the **Insurer** shall not exceed the amount which would otherwise have been payable hereunder had such reinstatement been carried out by outside contractors.

4.5 **Extra Cost of Reinstatement**

The **Insurer** will also pay the extra cost of reinstatement (including demolition or dismantling) of the **Damaged Property Insured** necessarily incurred by the **Insured** to comply with the requirements of any statute or regulation of any municipal or statutory authority whether the **Insured** elects that reinstatement shall be carried out upon the existing site or (subject to the **Insurer's** liability not being further increased thereby) wholly or partially upon another site or sites:

Provided that:

4.5.1 the **Insurer** shall not pay for any additional cost incurred in complying with any such requirement with which the **Insured** had been required to comply prior to the happening of the **Damage**;

4.5.2 **Condition 7.2 Average/Underinsurance** shall not apply to any amount recoverable under this Clause 4.5 and any amount payable shall not be taken into account for the purpose of the application of **Condition 7.2**;

- 4.5.3 if the cost of reinstatement of **Damaged Property Insured** is less than 50% of the cost of reinstatement if such property had been totally destroyed, the indemnity under this Clause 4.5 shall be limited to the extra cost necessarily incurred in reinstating only that portion **Damaged** or the **Sub-Limit of Liability** stated in the **Schedule**, whichever is the greater. If no **Sub-Limit of Liability** is stated, the **Insurer's** liability shall be limited to the extra cost necessarily incurred in reinstating only that portion **Damaged**.

4.6 **Additional Extra Cost of Reinstatement**

The **Insurer** will also pay the additional extra cost of reinstatement (including demolition or dismantling of the **Damaged Property Insured**) necessarily incurred by the **Insured** to comply with the requirements of any statute or regulation or of any municipal or statutory authority and not otherwise recoverable under Clause 4.3 including provisions 4.4 to 4.13.

Provided that the indemnity afforded by this Clause:

- 4.6.1 shall be limited in respect of each loss or series of losses arising out of any one event to the **Sub-Limit** stated in the **Schedule** which amount shall be separate from and additional to any **Limit** or **Sub-Limit of Liability** applicable to Clause 4.5;
- 4.6.2 shall not include the additional cost incurred in complying with any such requirement with which the **Insured** had been required to comply prior to the happening of the **Damage**;
- 4.6.3 shall not be subject to **Condition 7.2 Average/Underinsurance** and any amount payable shall not be taken into account for the purpose of the application of **Condition 7.2**.

4.7 **Output Replacement**

Where any **Property Insured** consists of equipment, machinery or plant having a measurable function, capability or output and, if by reason of the application of the **Basis of Settlement** Clause it is necessary to replace such property with a new item or items which perform a similar function or functions, then the **Basis of Settlement** for such property shall be as follows:

- 4.7.1 Where any property is to be replaced by an item or items which have the same or a lesser total function, capability or output, then the **Basis of Settlement** is the new installed cost of such replacement item or items as would give the same total function, capability or output as the property.
- 4.7.2 Where any property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that property, then the **Basis of Settlement** is the new installed cost of the item or items so replaced.
- 4.7.3 Where any property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the property, then the **Basis of Settlement** is the greater of the REINSTATEMENT VALUE or that proportion of the new installed cost of the replacement item or items which the output of the property **Damaged** bears to the output of the replacement item or items.

4.8 Floor Space Ratio Index (Plot Ratio)

If a building being **Property Insured** is **Damaged** and the cost of reinstatement is more than 50% of the cost of reinstatement if the building had been totally destroyed and reinstatement is only permissible by reason of any requirement of any law or local government or other statutory authority subject to a reduced floor space ratio index, the **Insurer** will pay in addition to any other amount payable on reinstatement of the building the difference between the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index and the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable. In calculating the amount payable under this Clause 4.8, any payment made by the **Insurer** shall include the extra cost payable under Clause 4.5 above.

Any amount payable under this Clause 4.8 shall be paid upon completion of the rebuilding works as certified by the architect acting on behalf of the **Insured** in the reinstatement of the building.

4.9 Undamaged Foundations

Where any **Property Insured** being a building or an installation constructed on its own foundations is **Damaged** but its foundations are not destroyed and due to the requirement of any law or of any local government or statutory authority reinstatement of the building has to be carried out upon another site, the abandoned foundations shall be considered as having been destroyed. If, however, the resale value of the original building site is increased by virtue of the presence of the abandoned foundations, then such increase in resale value shall be regarded as salvage and that amount shall be paid to the **Insurer** by the **Insured** upon completion of the sale of the site, or shall be deducted from the final amount of any money payable by the **Insurer** under this **Policy**, whichever shall occur later.

The term "foundations", wherever it appears in **Basis of Settlement** Clause 4.9, is deemed to include services, such as, but not limited to, conduits, pipes, cables and wiring, built into footings and foundations (including concrete floor slabs).

4.10 Loss of Land Value

Subject to the **Sub-Limit** specified in the **Schedule**, the **Insurer** will also pay the **Insured** for loss of Land Value and the amount payable shall be:

4.10.1 In the event of the absolute refusal by the competent local government or other statutory authority to allow the reconstruction of the property following **Damage** in circumstances giving rise to indemnity under **Section 1** of this **Policy** the **Insurer** shall pay by way of indemnity the difference between the Land Value before and after the **Damage**.

4.10.2 In the event of the competent local government or other statutory authority allowing partial reconstruction only of the property after **Damage** giving rise to indemnity under **Section 1** of this **Policy** the **Insurer** shall pay by way of indemnity the difference between the Land Value after such reconstruction and the Land Value before the **Damage**.

Less any sum paid by way of compensation by such authority arising out of the action referred to in 4.10.1 and 4.10.2 above.

DEFINITION

adjusted shall represent as near as may be reasonably practicable the true Land Value pertaining both before and after the **Damage**.

SPECIAL CONDITIONS

4.10.3 Settlement shall be made following the ruling of the competent local government or other statutory authority resulting in the loss of Land Value. Should settlement have been made however and subsequently the ruling of the competent authority be changed prior to completion of the reconstruction resulting in an increase in the Land Value, that part of the claim in excess of the revised Land Value shall be refunded to the **Insurer**.

4.10.4 All differences relating to the Land Value arising out of the **Policy** should be dealt with by both parties appointing Certified Practising Valuers to agree the before and after values of the land and in the event that they are unable to agree, the President of the Australian Property Institute shall appoint a third valuer who shall act as an expert and whose decision shall be final.

4.13 **Depreciation of Undamaged Stock**

Notwithstanding anything contained in this **Policy** to the contrary, in particular **Exclusions 5.13** and **6.1.12**, the **Insurer** will, to an extent not exceeding the value of the goods in storage remaining after its liability for any such direct loss has been determined and subject otherwise in all respects to the terms and **Conditions** of this insurance except as specially varied hereby, also hold themselves liable for **Damage** caused by deterioration or depreciation of such goods due to the **Insured's** inability to process the goods in the normal way as a result of **Damage** caused by any peril or circumstance insured by this **Policy** to any property of the **Insured** or property used by the **Insured**.

- 4.18 Notwithstanding Clauses 4.14 to 4.17, in the case of goods sold but not delivered for which the **Insured** is responsible and with regard to which, under the conditions of sale, or any statute or at common law, the sale contract is cancelled whether wholly or in part by reason of the **Damage**, the **Basis of Settlement** shall be the contract price.

10.1.3 There shall be deducted from the amounts calculated in 10.1.1 and 10.1.2 any sum saved during the **Indemnity Period** in respect of such of the charges and expenses of the **Business** payable out of **Gross Profit** as may cease or be reduced as a consequence of the **Damage** (excluding depreciation and amortisation).

10.4.1.1 during the portion of the **Indemnity Period** beginning with the occurrence of the **Damage** and ending not later than the number of weeks thereafter specified in the **Schedule**, calculated by applying the **Rate of Payroll** to the **Shortage in Turnover** during that portion of the **Indemnity Period** less any saving during that portion through reduction in the amount of **Payroll** paid in consequence of the **Damage**;

10.4.1.2 during the remaining portion of the **Indemnity Period**, calculated by applying the **Rate of Payroll** to the **Shortage in Turnover** during the remaining portion of the **Indemnity Period** less any saving during that portion through reduction in the amount of **Payroll** paid in consequence of the **Damage**, but not exceeding the amount produced by applying the percentage of the **Rate of Payroll** specified in the **Schedule** to the **Shortage in Turnover** during that remaining portion of the **Indemnity Period**, increased by such amount as is deducted for savings under Clause 10.4.1.1 above.

10.4.2 The **Insured** may at its option increase the number of weeks referred in Clause 10.4.1.1 to the number of weeks specified in the **Schedule** under the heading "Consolidated Period", provided that the amount payable under Clause 10.4.1.2 shall not exceed such amount as is deducted under Clause 10.4.1.1 for savings effected during the increased number of weeks.

10.5 **Item No 5 (Severance Pay)**

The **Insured** shall also be indemnified with respect to such further additional expenditure not otherwise recoverable under Clauses 10.4.1 and 10.4.2 as the **Insured** is obligated or has agreed to pay under industrial awards, determinations, decisions or agreements for severance pay and/or in lieu of notice to employees whose services are terminated during the **Indemnity Period** in consequence of the **Damage**.

10.6 **Item No 6 (Additional Increased Cost of Working)**

The **Insured** is indemnified with respect to any additional Increased Cost of Working not otherwise recoverable under **Section 2** of this **Policy** necessarily and reasonably incurred during the **Indemnity Period** in consequence of the **Damage** for the sole purpose of avoiding or diminishing reduction in **Turnover**, **Gross Revenue** or **Gross Rentals** (as applicable) or resuming and maintaining normal operation of the **Business**.

10.7 **Item No 7 (Amount Payable with Respect to Fines and Damages)**

The **Insured** is indemnified with respect to fines and damages for breach of contract and the amount payable as indemnity hereunder shall be such sum(s) as the **Insured** shall be legally liable to pay and shall pay in discharge of fines and/or damages incurred in consequence of the **Damage**, for non completion or late completion of orders, inability to meet contract specifications or cancellation of orders.

10.9 **Item No 9 (Outstanding Accounts Receivable)**

The **Insured** is indemnified for loss in consequence of **Damage** to the **Insured's** books of account, other books and/or records which results in the **Insured** being unable to trace or establish the **Outstanding Debit Balances** in whole or in part, and the **Insurer** will pay to the **Insured** the amount of the **Insured's** resultant loss calculated in the following manner, namely:

10.9.1 In respect of loss of **Outstanding Debit Balances**, being the difference between the **Outstanding Debit Balances** and the total of the amounts received or traced in respect thereof;

10.9.2 In respect of additional expenditure, being the additional expenditure incurred with the **Insurer's** prior consent, in tracing and establishing Customers' Debit Balances after the **Damage**.

10.10 **Item No 10 (Claims Preparation Costs)**

The **Insured** is indemnified with respect to such reasonable professional fees as may be payable by the **Insured** and such other reasonable expenses necessarily incurred by the **Insured** and not otherwise recoverable, for preparation and negotiation of progress claims and/or final claims under **Sections 1** and/or **2** of this **Policy**.

11. **Conditions Applying to Section 2**

11.1 **Turnover/Gross Revenue Elsewhere After Damage**

If during the **Indemnity Period** goods shall be sold or services shall be rendered elsewhere than at the **Premises** for the benefit of the **Business** either by the **Insured** or by others on behalf of the **Insured**, moneys paid or payable in respect of such sales or services shall be brought into account in arriving at the **Turnover/Gross Revenue** (as applicable) during the **Indemnity Period**.

11.2 Departmental Clause

If the **Business** is conducted in departments or business units the independent trading results of which are ascertainable, the provisions of Clauses 10.1.1, 10.1.2, 10.4.1.1, 10.4.1.2 and 10.4.2 shall apply separately to each department or unit affected by the **Damage**.

11.3 New Business

In the event of **Damage** occurring at the **Premises** before the completion of the first year's trading of the **Business**, the terms "**Rate of Gross Profit**", "**Standard Turnover**", "**Standard Gross Revenue**", "**Standard Gross Rentals**", and "**Rate of Payroll**" shall bear the following meanings and not those as stated in Clause 8 (**Definitions**):

Rate of Gross Profit means the proportion which the **Gross Profit** bears to the **Turnover** during the period between the date of the commencement of the **Business** and the date of the **Damage**.

Standard Turnover means the proportional equivalent, for a period equal to the **Indemnity Period** of the **Turnover** realised during the period between the commencement of the **Business** and the date of the **Damage**.

Standard Gross Revenue means the proportional equivalent, for a period equal to the **Indemnity Period**, of the **Gross Revenue** realised during the period between the commencement of the **Business** and the date of the **Damage**.

Standard Gross Rentals means the proportional equivalent, for a period equal to the **Indemnity Period**, of the **Gross Rentals** realised during the period between the commencement of the **Business** and the date of the **Damage**.

Rate of Payroll means the proportion which the **Payroll** bears to the **Turnover** during the period between the date of commencement of the **Business** and the date of the **Damage**.

Adjustment shall be made to the **Rate of Gross Profit**, **Standard Turnover**, **Standard Gross Revenue**, **Standard Gross Rentals**, and **Rate of Payroll** as may be necessary to provide for the trend of the **Business** and for variations in or other circumstances affecting the **Business** either before or after the **Damage** or which would have affected the **Business** had the **Damage** not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the results which but for the **Damage** would have been obtained during the relative period after the **Damage** occurred.

11.4 Accumulated Stocks

In adjusting any loss, account shall be taken and equitable allowance made if any **Shortage in Turnover** resulting from the **Damage** is postponed by reason of the **Turnover** being temporarily maintained from accumulated stocks.

11.5 Books of Account

11.5.1 Any particulars or details contained in the **Insured's** books of account or other business books or documents which may be required by the **Insurer** for the purpose of investigating or verifying any claim made under this **Policy** may be produced and certified by the **Insured's** auditors and their certificate shall be prima facie evidence of the particulars and details to which the certificate relates.

11.5.2 The words and expressions used in this **Policy** shall have the meanings usually attached to them in the books and accounts of the **Insured** unless otherwise defined in this **Policy**.

11.6 Turnover/Output Alternative

At the option of the **Insured**, the word "**Output**" may be substituted for "**Turnover**" and, for the purpose of **Section 2** of this **Policy**, **Output** shall mean the sale value of goods manufactured or processed by the **Insured** in the course of carrying on the **Business** at the **Premises**. Only one such meaning shall be operative in connection with any one occurrence involving **Damage**.

If the **Output Option** is selected:

11.6.1 the provisions of Clause 11.1 (**Turnover/Gross Revenue Elsewhere After Damage**) shall read as follows:

If during the **Indemnity Period** goods shall be manufactured or processed other than at the **Premises** for the benefit of the **Business** either by the **Insured** or by others on behalf of the **Insured**, the sale value of the goods so manufactured or processed shall be brought into account in arriving at the **Output** during the **Indemnity Period**.

and

11.6.2 the definition of **Gross Profit** shall read as follows:

the difference between sale value of production and the amount of the **Uninsured Working Expenses**; and

11.6.3 the provision of Clause 11.4 (**Accumulated Stocks**) shall read as follows:

in adjusting any loss, account shall be taken and equitable allowance made if any **Shortage in Output** resulting from the **Damage** is postponed by reason of the **Output** being temporarily maintained from accumulated stocks.

11.7 Salvage Sale

If **Damage** gives rise to a claim under **Section 2** of this **Policy** and the **Insured** holds a salvage sale during the **Indemnity Period**:

11.7.1 Clause 10.1 shall be varied to provide that the amount of the indemnity shall be calculated by reference to the sum produced by applying the **Rate of Gross Profit** to the amount by which the **Turnover** during the **Indemnity Period** (less the **Turnover** for the period of the salvage sale) shall, in consequence of the **Damage**, fall short of the **Standard Turnover**, from which shall be deducted the **Gross Profit** actually earned during the period of the salvage sale.

11.7.2 For the purposes of Clause 10.4, a **Shortage in Turnover** means the amount by which the **Turnover** during a period (less the **Turnover** for the period of the salvage sale) shall, in consequence of the **Damage**, fall short of the part of the **Standard Turnover** which relates to that period from which shall be deducted the amount of any portion of the **Payroll** actually paid out of the proceeds of the salvage sale.

11.8 Reduced Margin

If, in consequence of **Damage** giving rise to a claim under this **Policy**, **Turnover** is maintained at a reduced **Rate of Gross Profit**, an equitable allowance shall be made for the loss of **Gross Profit** resulting from an increase in the ratio to **Turnover** of stock

usage or purchases (adjusted for stock variations). No allowance shall be made for an increase in the ratio to **Turnover** of any other uninsured expenses.

11.9 Termination of Cover

Notwithstanding anything contained in this **Policy** to the contrary, if during any period in respect of which this **Policy** is in force the **Insured**:

11.9.1 permanently discontinues or ceases to carry on the **Business** or if the **Insured's** proprietary interest in the **Business** ceases otherwise than by death; or

11.9.2 (being a corporation) is placed in liquidation, provisional liquidation, under official management, under the control of a receiver and manager or if control over its assets is assumed by a receiver; or

11.9.3 (being a natural person) becomes bankrupt;

then the insurance under **Section 2** shall cease unless its continuance is admitted in writing by the **Insurer**.

Such termination of cover shall not apply if any of the events stated in clauses 11.9.1, 11.9.2 or 11.9.3 are caused by loss, insured by **Section 2** of the **Policy**, resulting from interruption of or interference with the **Business** in consequence of **Damage** to property used by the **Insured** at the **Premises**.

11.10 Mitigation of Loss

The **Insured** shall use due diligence and do and concur in doing all things reasonably practicable to minimise any interruption of or interference with the **Business** and to avoid or diminish the loss and shall also deliver to the **Insurer** a statement in writing of any claim certified by the **Insured's** auditors or accountants with all particulars and details reasonably practicable as to the loss and shall produce and furnish all books of account and other business books, invoices, vouchers and all other documents, proofs, information, explanations and other evidence and facilities as may reasonably be required to enable the **Insurer** to investigate and verify the claim and such information or documentation shall be verified on oath if required by the **Insurer**.

12. Property Excluded

Section 2 of this **Policy** does not cover any loss resulting from **Damage** to any property described in Clause 5 of **Section 1** of this **Policy** in the circumstances set out in that Clause other than **Damage** to property the subject of indemnity as described in Clause 9.1.1.10.

13. Circumstances Where Cover is Excluded

13.1 **Section 2** of this **Policy** does not cover any loss resulting from any **Damage** to any property in the circumstances described in Clause 6 of **Section 1** of this **Policy**, except as described in Clause 6.2.14.

13.2 **Section 2** of this **Policy** does not cover any interruption to or interference with the **Business** caused by or happening through:

13.2.1 the stranding or sinking of any vessel in any canal, waterway or port; or

13.2.2 the impact by any vessel to any wharf, dock or pier.

14. Conditions Applying to Sections 1 and 2

14.1 Precautions to Prevent Loss

The **Insured** shall take all reasonable precautions to prevent **Damage to Property Insured** which may give rise to a claim under this **Policy**.

14.2 Claims and Claims Procedures

14.2.1 On the discovery of any **Damage** giving rise to a claim under this **Policy**, the **Insured** shall forthwith give notice thereof in writing to the **Insurer** and shall as soon as reasonably practicable deliver to the **Insurer** a statement of claim in writing containing as particular an account as may be reasonably practicable of the items of property **Damaged**, and of the amount of **Damage** having regard to their value at the time this occurred and of the amount of any claim made under **Section 2** of this **Policy**, together with details of any other insurances which may apply to the claim.

14.2.2 The **Insured** shall, upon becoming aware of any loss by theft of or any wilful or malicious damage which may give rise to a claim under this **Policy**, take all practicable steps to trace and recover any missing property and to discover by whom the property was stolen or damaged, including reporting the matter to the police and any other responsible authority.

14.2.3 If the **Insurer** elects or becomes bound to replace, repair or rebuild any item of property, the **Insured** shall deliver to the **Insurer** all such plans, documents and information as the **Insurer** may reasonably require.

14.2.4 The **Insured** shall not be entitled to abandon any property to the **Insurer** whether taken possession of by the **Insurer** or not.

14.2.5 Any person claiming under this **Policy** shall at the request and at the expense of the **Insurer** do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the **Insurer** for the purpose of enforcing any rights and remedies, or of obtaining relief or indemnity from other parties to which the **Insurer** shall be or would become entitled or subrogated upon the **Insurer** paying for or making good any **Damage** under this **Policy** or paying any monies under **Section 2** of this **Policy**.

If the **Insurer** makes any recovery as a result of such action, the **Insured** may only recover from the **Insurer** any amount by which the amount recovered by the **Insurer** exceeds the amount paid to the **Insured** by the **Insurer** in relation to the loss.

14.2.6 Provided that liability has been admitted, the **Insurer** shall make reasonable progress payments on account of any claim to the **Insured** at such intervals and for such amounts as may be agreed upon production of a report by any loss adjuster appointed by the **Insurer**. Any such payments shall be deducted from the amount finally determined upon adjustment of the claim.

14.2.7 If the **Insured** is in breach of any of the provisions of this **Policy**, the **Insurer's** remedies shall be in accordance with the Insurance Contracts Act 1984, as amended.

14.3 Reinstatement of Insurance after Loss

The insurance under this **Policy** and the **Limit of Liability** shall be automatically reinstated in the event of any loss unless the **Insured** requests otherwise. The **Insured** must pay any additional premium calculated pro rata by reference to the amount of the

loss and the outstanding **Period of Insurance**. The premium shall be calculated at the **Insurer's** premium rates applicable to the current **Period of Insurance**.

14.4 **Acquired Companies**

14.4.1 This **Policy** extends to include:

14.4.1.1 property belonging to companies and other organisations a controlling interest in which is acquired by the **Insured** during the **Period of Insurance**;

14.4.1.2 property for **Damage** to which such companies or other organisations are legally responsible or for which they have assumed responsibility to insure prior to the occurrence of the **Damage**; and

14.4.1.3 any loss suffered by any such companies or organisations which is the subject of indemnity under **Section 2** of this **Policy**.

14.4.2 The **Insured** must, within one (1) month of acquisition declare in writing to the **Insurer**:

14.4.2.1 the name of the company or other organisation and the nature of its business;

14.4.2.2 the nature and extent of the property to be insured;

and must pay the rateable proportion of the **Premium** from the date of acquisition(s) to the expiry of the **Period of Insurance** calculated at the agreed rate applied to the values declared in 14.4.2.3.

14.4.3 The business of the acquired company or other organisation must be similar to the **Business** stated in the **Schedule**.

14.4.4 For the purpose of this **Condition**, a controlling interest shall, in the case of a company, mean the acquisition of shares carrying more than 50% of votes capable of being cast at a general meeting of all shareholders in the company.

14.4.5 The **Insured** shall not be required to include the values declared in 14.4.2.3 in the declaration required under **Condition 14.5 Adjustment of Premium**.

14.4.6 The property described in clause 14.4.1.1 is separately subject to the following **Average/ Underinsurance Condition**;

14.4.6.1 The **Insured** is required to insure acquired property for full value calculated in accordance with **Definition 1.9 Declared Values** as applicable at the time of acquisition.

14.4.6.2 In the event of **Damage** to property described in Clause 14.4.1.1 resulting in a claim, the moneys otherwise payable under **Section 1** of this **Policy** shall be the proportion that the **Insured's** declaration at the time of acquisition of the value of all **Property Insured** described in Clause 14.4.1.1 bears to 80% of the value of all such property as at the time of acquisition calculated in accordance with Clause 14.4.2.3.

14.4.6.3 Should the **Insured** elect to settle a claim or any part thereof in accordance with **Basis of Settlement** Clause 4.28, for the purpose of the application of this **Condition 14.4.6** (and **Condition 7.3** insofar as

it applies) the full value of such property at the time of acquisition shall be the INDEMNITY VALUE.

14.4.6.4 This **Condition 14.4.6** shall not apply if the amount of the **Damage** does not exceed 5% of the amount of the **Insured's** declaration of value of all **Property Insured** described in Clause 14.4.1.1.

14.5 Adjustment of Premium

14.5.1 The **Premium** for **Sections 1** and **2** is provisional and is calculated on the **Declared Values** of:

14.5.1.1 the **Property Insured**; and

14.8 **Observance of Terms and Conditions**

14.8.1 Any breach of condition or warranty without the knowledge or consent of the **Insured**, or error in name, description or location or omission to state a material fact, shall not invalidate the **Policy** provided notice in writing be given to the **Insurer** when such breach or error or omission comes to the knowledge of the **Insured's** officer responsible for insurance and additional premium for any increased hazard as the **Insurer** may require shall be paid from the date of such breach or error or omission.

Taxable Percentage is the **Insured's** entitlement to an Input Tax Credit on the **Premium** as a percentage of the total GST on that **Premium**.

14.11.1 Where the **Insurer** makes a payment under this **Policy** for the acquisition of goods, services or other Supply, the amount of the payment will be reduced by the amount of any Input Tax Credit that the **Insured** is, or will be, entitled to in relation to that Acquisition, whether or not the **Insured** makes that Acquisition.

14.11.2 Where the **Insurer** makes a payment under this **Policy** as compensation instead of payment for the acquisition of goods, services or other Supply, the **Insurer** will reduce the amount of the payment by the amount of any Input Tax Credit that the **Insured** would have been entitled to had the payment been applied to acquire such goods, services or other Supply.

Any GST amount paid by the **Insurer** shall be in addition to the **Limit(s) of Liability** specified in the **Schedule**.

No payment shall be made to the **Insured** for any GST liability that they may acquire upon settlement of a claim if the **Insured** has not informed the **Insurer** of its correct Taxable Percentage.

Except in the case of a steam test at a pressure not exceeding the maximum pressure permitted by the inspecting authority, the term **Explosion** shall mean failure under any test.

Collapse shall mean the sudden and dangerous distortion of any part of the permanent structure of plant by bending or crushing caused by force of steam or fluid pressure whether attended by rupture or not.

but **Explosion**, implosion, rupture, **Collapse**, or bursting arising from any such defect is not excluded hereby.

Furthermore in respect of **Damage** to plant arising from:

- 15.1.5 cracking or fracturing, such **Damage** must be caused by the plant's own sudden cracking or fracturing which immediately prevents or makes unsafe the continued use of the plant or in the case of a boiler which prevents the plant from working satisfactorily to constitute a claim under this Extension.
- 15.1.6 overheating, such **Damage** must be sudden and accidental to constitute a claim under this Extension.
